CBP-2019-020780	Alan Gomez	<p>USA Today respectfully requests, under the U.S. Freedom of Information Act, copies of records held by U.S. Customs and Border Protection. President Donald Trump has described the situation along the southern border as a national emergency, and has responded by deploying the National Guard and active-duty military troops. He has been focused on halting migrant caravans, whose members have been trying to either apply for asylum or enter the country illegally. This has placed a renewed focus on the federal government's ability to process people seeking asylum.</p> <p>Given that, USA Today requests daily totals of foreigners processed for asylum at each of the ports of entry along the southern border. I have personally been told by CBP that such records exist, but that CBP will not provide them. Through this FOIA, I request a daily total of people processed for asylum from October to December 2018 at each of the following border crossings:</p> <ul style="list-style-type: none"> - San Ysidro, Calif. (to include multiple entry-points there) - Otay Mesa, Calif. - Tecate, Calif. - Calexico, Calif. (to include multiple entry-points there) - Andrade, Calif. - San Luis, Ariz. (to include multiple entry-points there) - Lukeville, Ariz. - Sasabe, Ariz. - Nogales, Ariz. (to include multiple entry-points there) - Naco, Ariz. - Douglas, Ariz. - Antelope Wells, N.M. - Columbus, N.M. - Santa Teresa, N.M. - El Paso, Texas (to include multiple entry-points there) - Tornillo, Texas - Fort Hancock, Texas - Presidio, Texas 	1/7/2019

CBP-2019-020915	Worrall Smith	I would like an excel/csv file documenting the number of pounds of marijuana and heroin seized on the Southwest Border of the US for each year between 1990 and 2019. I would like the columns of excel/csv file organized as such: Column 1: year Column 2: drug seized -- whether it was marijuana or heroin Column 3: quantity seized in pounds (lbs) Column 4: state border it was seized on, i.e. whether it was seized on the Texas, New Mexico, Arizona, or California border When I add up the seizures on each state border by year it should align with the totals you have on record for each of those years. I have included a sample spreadsheet of how the data should be organized. In the sample there is only the year 1990, but in the results of the request it should go from 1990 to January 2019.	1/7/2019	Full Grant

He is currently in removal proceedings and I need to show how he entered the country at the time. He was around 11-12 years old at the time and does not have a clear memory of how he entered whether it was through a tourist visa, EWI, or as a refugee.
